

GIVE YOURSELF SOME CREDIT

**Earn 10% OFF* every one-time job you refer to us! or
Earn \$10 OFF** your service agreement!**

We want to take this opportunity to thank you for your business and let you know about our Customer Referral Program.

At Dream Home Cleaning Services, we believe there is no better advertisement than a satisfied customer.

If you have already received services from us, in addition to our thanks, we want to extend a reward to you, our loyal customer, when you refer your friends and family to us.

You can get **Free Additional Services, Cash, or Discounts** on the next house cleaning visits, with our referral program!

That's right! All you have to do is tell your friends, neighbor, co-workers, relatives, or whoever you come in contact with about our services.

To show our appreciation, we have developed a "[Customer Referral Program](#)" which **rewards you whenever you help us to get qualified leads and successful sales.** The more people you refer to our company, the more the rewards!

Remember, that we guarantee our work and do not pressure anyone, so don't hesitate to refer us to a friend, neighbor, colleague, co-worker, family, or even your office. Just make sure they mention your name as a referral or present the Referral Coupon.

How it works? It's as easy as 1-2-3:

1. Complete the [online customer referral form](#) for each referral, so we know who to reward for the referral.
2. A Dream Home Cleaning Services specialist will contact them to go over the details of the housekeeping services.
3. For every new customer you send us, after the person referred has received a service from us we will do any of the next two options:
 - If the referral becomes a one-time Dream Home Cleaning Services customer we will automatically send you a Referral Certificate valued at a 10% commission of the referral you send us. The certificate can be used toward Cash, Discount or Services and is valid for one year. It can be used for any of our services. It is just good as cash.
 - If the referral becomes a frequent Dream Home Cleaning Services customer we will automatically apply a \$10 Discount of your service agreement; this means that your house cleaning service will cost you less. Let's say you pay \$120 every week for your house cleaning service and you referred six people to us and we provide service to those six people, then you have \$60 discount, now you will only pay \$60 every week. Isn't this awesome?
